Editorial

We are celebrating a biggest cheerful program "2nd international glaucoma meeting and 8th national annual conference" on 12th and 13th January 2018. We are delighted and excited. We are going to publish a souvenir like the previous year. We know glaucoma is a second leading cause of blindness worldwide. It is silent killer of eye. The aim of our society is to build up awareness among the general population about the disease. For this we arrange seminar, symposium, press conference and rally every year. On the occasion of "2nd international glaucoma meeting and 8th national annual conference" we have experienced and reputed national and international faculties to exchange our knowledge and views. All of you are most welcome to this "2nd international glaucoma meeting and 8th national annual conference". From the core of my heart I thank to all the participants from home and abroad.

I must thank to Dr. Zakia Sultana Shahid secretary general, Bangladesh glaucoma society for guiding me and continuous supervision for publishing this souvenir. Prof. Md. Arif mian president of Bangladesh glaucoma society encourage me about the souvenir. I must thank Prof. M A Mannaf adviser of Bangladesh glaucoma society for giving me valuable advice about the souvenir. Prof. M Nazrul Islam ex- president of Bangladesh glaucoma society help a lot for publishing this souvenir. I must thank prof. Hasan Shahid chairman, publication and publicity sub-committee for his valuable suggestions. I must thank all secretaries and members of executive committee of Bangladesh glaucoma society for their continuous support. I also thank Mr. Abdus Salam computer operator and his associates for hard work for publishing this souvenir. We tried our level best for a colourful and informative souvenir for you. If there are any pitfalls in this souvenir please forgive us.

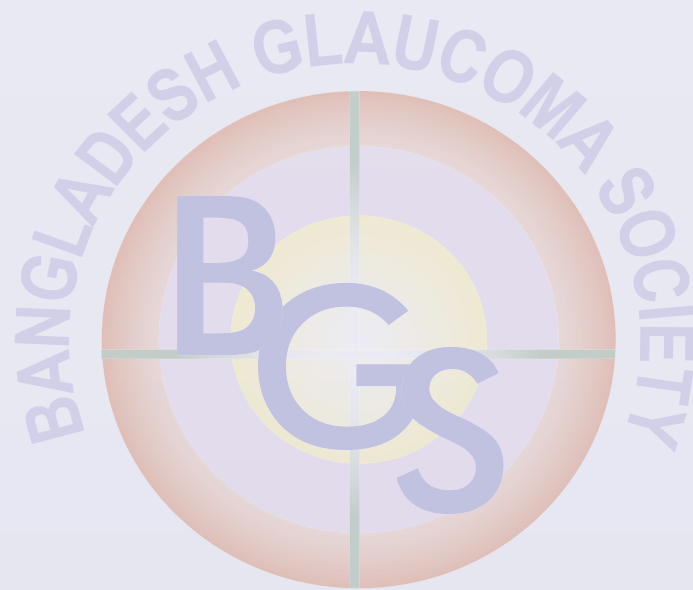

Eventually I want a great success of the "2nd international glaucoma meeting and 8th national annual conference".

Dr. Md. Safiul Islam Prodhan

Member secretary

Publication and publicity sub-committee

Bangladesh glaucoma society

From the desk of President

Bismillahir Rahmanir Rahim,

It is my proud preavillage to welcome you in this auspicious occasion, 2nd International Glaucoma meeting and 8th National Annual conference of Bangladesh Glaucoma Society, 2018. It is a golden opportunity to receive you here, our honored guest faculties from home and abroad, respected senior colleagues, beloved Bangladesh Glaucoma Society life members, Ophthalmologists & delegates from different corners of the country, Executives from different pharmaceuticals, Printing and Electronic media, ladies & gentleman.

Assalamu Alaikum,

We are very much delighted for having with us our beloved teacher, Prof. Syed Modasser Ali, former Adviser to Honorable Prime Minister, ministry of health & family welfare, & Ministry of social welfare, Chairman of Bangladesh Medical Research Council, adviser of Bangladesh Glaucoma Society, Prof. Md. Saleh Uddin, Adviser of Bangladesh Glaucoma Society, Prof. Ava Hossain, Vice president, Asia Pacific Academy of Ophthalmology & adviser of Bangladesh Glaucoma Society, Prof. Deen Mohd. Noorul Huq Immediate past Director General of Health Services, Prof. Md. Sharfuddin Ahmed, president Ophthalmological society of Bangladesh & pro-vice chancellor Banghabandhu Sheikh Mujib Medical University, Prof. Golam Mostafa, Director National institute of ophthalmology and Line Director, National Eye Care, Bangladesh. Honorable guest faculties Dr. Angshuman Das, Dr. Parivadhini, Dr. Jin Wook Jeoung, Dr. Visanee Tantisevi and Dr. Rashed Nizam.

Glaucoma is a complex disease, a silent killer of vision, difficult to diagnose at the early stage. Treatment is also challenging. So, this conference is a great opportunity to share our scientific knowledge, exchange thought & ideas, transfer of skills as well as current development in these issues. With the advanced technology, IT development & quick skill transfer, the world is now a global village.

Tragedy of glaucoma is that it causes irreversible blindness, as well as it is mostly a silent killer of vision.

Therefore, mass public awareness regarding the nature of the disease is of utmost importance. Globally about 80 million people are blind, about 8 million blindness is due to glaucoma, which could be prevented if accurate diagnosis and appropriate treatment could be done at proper time & proper place. Bangladesh Glaucoma society is trying relentlessly to increase awareness amongst general population by different awareness program like CME and celebration of World Glaucoma week throughout the country.

I like to give special thanks to our honorable advisers especially Prof. Sk. M.A. Mannaf & Prof. Md. Nazrul Islam for their continuous able guidance, advice and suggestions to facilitate different activities of the society. I must thank Dr. Zakia Sultana Shahid, Secretary General Bangladesh Glaucoma Society, for her untiring effort and love for the society. I like to thank Dr. Ziaul Karim, president elect, Bangladesh Glaucoma Society for his active cooperation to make the conference success. I like to thank Prof. Hasan Shahid, prof. Md. Mizanur Rahman, Dr. Kamrul Islam Khan, Dr. Salma Parvin, Dr. Istiaque Anwar, Dr. Iftekhar Munir, Dr. Shafiu Islam Pradhan, Dr. Mohsin Beig & other secretaries & members of Executive committee and different subcommittee of Bangladesh Glaucoma Society for their help & support for the success of the conference.

I would also like to thank Aristovision for their whole hearted support and cordial co-operation for different activities of the society throughout the year. I like to thank Popular, General and Ibne Sina Pharmaceuticals and other sponsors for rendering their generous support and co-operation for the success of the Conference. I also thank printing and electronic media, B.I.C.C authority, for their co-operation to make the program a grand success.

Lastly, I on behalf of Bangladesh Glaucoma Society welcome you once again.

Allah Hafez

Prof. Md. Arif Mian

President

Bangladesh Glaucoma Society

From the Desk of Secretary General

Respected President, all Advisers, Executive members & Life Members of Bangladesh Glaucoma Society, our beloved teacher Prof. Syed Modasser Ali, former adviser to honorable prime minister, ministry of health, family planing & social welfare, Former Director General of Health Services, Vice-President of Asia Pacific Academy of Ophthalmology (APAO) , President, Secretary General & Members of OSB, all local & foreign Faculties of the Conference, Distinguished Guests, Students, Members of Pharmaceutical companies & Members of different media Assalamualicum and a very Good morning to all of you.

On behalf of Bangladesh Glaucoma Society, I welcome you all to the " 2nd International Glaucoma Meeting & 8th Annual National Conference " of Bangladesh Glaucoma Society.

For last ten months all Members of Executive Committee has worked hard to offer the best possible Glaucoma Conference. This time thirty five Faculties will speak in the conference, of which five Faculties are from USA , India, South Korea & Thailand . About forty eight scientific papers will be presented in the conference. We tried to include topics from all the different aspects of Glaucoma: Memorial Lectures, Symposium, Laser & Surgical management in glaucoma. We have included a new session "Glaucoma Drama" in this conference to have a new taste. There are plenty of opportunity to learn and interchange of knowledge in this conference.

Dear Ladies & Gentleman,

Every two yearly our new committee forms. Running Committee has taken their charge on 16.01 .2016. At the beginning of each year we make our year plan. Round the year we have done monthly Executive Committee meeting, two monthly extended EC meeting with Scientific Symposium in Dhaka & outside of Dhaka in different districts . In 2017 we arranged four successful CME. Two in Dhaka, and two outside of Dhaka in Rangpur & Sonargaon, with a large number of participants .

Every year we celebrate World Glaucoma Week very nicely with the hope not only celebration but also to make aware all people throughout the country regarding glaucoma , so that they can fight against glaucoma in time . In 2017 we the glaucoma society of Bangladesh has given a good drive against glaucoma throughout the country. We have arranged Free Glaucoma Screening Camp, Colorful Rally distribution of posters in different public places with glaucoma issues. This year we managed to arrange awareness program in about thirty hospitals and eye care centers throughout the country. We are very much thankful to all ophthalmologist in Dhaka and in different district hospitals who helped us in this program .We also arranged Press conference, Symposium, Radio-Television talk, newspapers & magazines publications. At the eleven years of age of Bangladesh Glaucoma Society we think ourselves successful cause now at least people come to us to know whether they are free from glaucoma or not.

We do National & International Conference every alternate year. To vibrate the knowledge, to enrich the skillness of us and our fellows so that we can treat the people with full of confidence. We are trying to prepare a Glaucoma Management protocol. We are giving Glaucoma Training Facilities among the young Ophthalmologists in home and abroad.

We have future planning to make a Modern Glaucoma Hospital & Research Institute in Dhaka and also Glaucoma Survey throughout the country.

Every 6 monthly we publish BGS-Journal and regularly update BGS website. It's a great success for BGS.

Every two years a team of BGS members are attending the "World Glaucoma Congress". A team of thirty members of BGS has joined 7th WGC in Helsinki last year. There was a symposium of BGS with six speakers.

Respected Guests,

We are very much grateful to you all for your participation in this Glaucoma Conference and make the conference a great success. I like to welcome & thank to foreign faculties Dr. Rashed Nizam (USA), Dr. VisaneeTantisevi (Thailand), Dr. Jin Wook Jeoung (South Korea), Dr. Parivadhini (India), Angshuman Das(India), who came from abroad to share their knowledge in our Scientific Sessions in spite of their busy schedule . We believe their lectures will enrich us and enable us to exchange our views and ideas.

Honorable Members,

We are grateful to our Advisers for their valuable guidance, to all the Executive Members of BGS , secretaries, specially to our President for their excellent work & help us to run the all activities of the society smoothly.

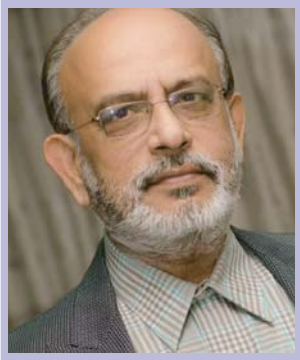

Finally I would like to thank all the Sponsors, specially Aristovision because they have highest contribution to BGS throughout the year and also to the members of all media, Staffs of BGS & members of printing press.

Best wishes to all of you.

Dr. Zakia Sultana Shahid

Secretary General

Bangladesh Glaucoma Society (BGS)

From the desk of President Elect

Glaucoma is a leading cause of blindness globally. Tragedy of glaucoma is that it causes irreversible blindness. From the very beginning, Bangladesh Glaucoma Society is trying relentlessly to make progress in two fields. To create mass public awareness about the disease, BGS is organizing programs in the media - radio, TV, newspaper, internet throughout the year. BGS is also organizing programs - Symposiums, instruction courses, Glaucoma debates, CME in different parts of Bangladesh. It has been done to exchange our views, thoughts and ideas among the ophthalmologists home and abroad. To update our knowledge regarding the disease, BGS members used to participate actively in the international programs like World Glaucoma Congress.

I express my deep gratitude to the organizers participants, guests, sponsors for their kind presence in the 2nd International Glaucoma Meeting & 8th Annual National Conference of BGS.

Dr. Muhammad Ziaul Karim
President Elect
Bangladesh Glaucoma Society

**From the desk
of
Chairman
Scientific Sub-Committee**

On behalf of Scientific Committee Bangladesh Glaucoma Society, I am pleased to warmly welcome all of you to its 2nd International Glaucoma Meeting & 8th Annual National Conference at Bangabandhu International Conference Centre (BICC), Dhaka on 12th and 13th January 2018. Glaucoma is one of the delicate ophthalmic problem to be handled. To be acquainted with the present standards of diagnostic tools and treatment of glaucoma, Bangladesh Glaucoma Society is holding the CME program round the year. Scientific presentation, symposium, instruction course and drama on glaucoma will be the main attraction and key factor for the success of the conference. I am thankful to all of those who gave their valuable time to make this conference possible in a best way. Thanks to speakers from home and abroad especially Dr. Angshuman Das, Dr. Parivadhini, Dr. Jin Wook Jeoung, Dr. Visanee Tantisevi and Dr. Rashed Nizam. I am grateful to the authors who gave their scientific paper for publication in the BGS journal. My special gratitude to all Honourable Advisers of Bangladesh Glaucoma Society for their kind cooperation. Special thanks to Prof. SK. M. A. Mannaf, Prof. M. Nazrul Islam, President Bangladesh Glaucoma Society Prof. Md. Arif Mian, Secretary General Dr. Zakia Sultana Shahid, secretary scientific committee Dr. Salma Parvin, BGS and Ex-Secretary General Dr. Nazneen Khan and all the executive members of the Bangladesh Glaucoma Society for their valuable support and help to make this event successful.

Sincerely Yours

Dr. Md. Quamrul Islam Khan

Chairman

Scientific Sub Committee

Bangladesh Glaucoma Society.

Bangladesh Glaucoma Society

2nd International Glaucoma Meeting & 8th Annual National Conference

Date : 12-13 January, Friday & Saturday, 2018

Venue : Bangabandhu International Conference Center (BICC)
Dhaka, Bangladesh

Scientific Session

Day 1 : Friday, 12 January, 2018.

7.30 am - 8.30 am : Registration & Kits Collection

8.30 am- 8.50 am : Inauguration

9.00 am-10-30 am : Scientific Session-1

Symposium: Glaucoma Diagnosis & Prognosis

Chairman : 1. Prof. Md. Sharfuddin Ahmed 2. Prof. SK. Md. Hossain.

Moderator : Dr. Sajedur Rahman

Subject	Speaker	Time
IOP: Past-Present and Future	Dr. Angshuman Das (India)	12 min
Classical Visual Field Defects in Glaucoma	Dr. Shams Md Noman	12 min
Optic Nerve Head Evaluation	Dr. Parivadhini (India)	12 min
Swept-Source OCT in Glaucoma: where are we now?	Dr. Jin Wook Jeoung (South Korea)	12 min
Gonioscopy – the must for Glaucoma Diagnosis	Dr. Zakia Wadud	12 min
UBM – its importance in Glaucoma	Dr. Harun Ur Rashid	12 min
Discussion		18 min

10.30 am- 11.00 am : Morning Tea break

11.00 am – 12.00 am : Scientific Session-II

Symposium : Current consideration in Glaucoma medical management

Chairman : 1. Prof. Sk. M. A. Mannaf, 2. Prof. Md. Arif Mian

Moderator : Dr. Iftekhar Md. Munir

Subject	Speaker	Time
Glaucoma medical treatment: Which drug when	Dr. Parivadhini	15 min
Prostaglandin Analogues: the current perspective.	Dr. Angshuman Das	15 min
Longterm effect of preservative in glaucoma medications	Dr. Visanee Tantisevi (Thailand)	15 min
Discussion		15 min

12.00 pm - 1.00 pm : Scientific Session-III

Memorial Lectures

Chairman : 1. Prof. Md. Salehuddin, 2. Prof. Ava Hossain

Moderator : Dr. Md. Hasan Azam

Subject	Speaker	Time
Introduction of Prof. M.A. Matin	Dr. Md. Quamrul Islam Khan	5 min
Matin memorial lecture	Prof. Deen Mohd. Noorul Huq	20 min
Introduction of Prof. Mustafizur Rahman	Dr. Salma Parvin	5 min
Mustafiz memorial Lecture	Prof. M. A. Halim Khan	20 min

1.00 pm – 2.40 pm : Prayer & Lunch

2.40 pm – 5.00 pm : Scientific Session-IV

Symposium : Recent advancement in Glaucoma Surgery

Chairman : 1. Prof. Deen Md. Noorul Hoque, 2. Prof. Golam Mostafa.

Moderator : Dr. Zakia Sultana Shahid

Subject	Speaker	Time
Congenital Glaucoma - Surgical management	Dr. Md. Musharaf Hossain	20 min
Trabeculectomy and its modifications	Prof. M. Nazrul Islam	20 min
Management of complications in Trabeculectomy	Dr. Ishtiaque Anwar	20 min
Combined PhacoTrab: How to make it successful	Prof. Sk. M. A. Mannaf	20 min
AGV – Surgery & Management of complications	Dr. Parivadhini	20 min
Challenge of cataract surgery in post GDD implanted eye	Dr. Visanee Tantisevi	20 min
Discussion		30 min

5.00 pm – 5.30 pm : Evening Tea & Prayer

5.30 pm - 7.00 pm : Scientific Session-V

Free Paper Session

Chairman : 1. Prof. Syed Maruf Ali, 2. Prof. Hassan Shahid

Moderator : Dr. M. A. Karim

Subject	Speaker	Time
Use of Brimonidine to prevent IOP elevation following Yag Laser Capsulotomy	Dr. Md. Safiul Islam Prodhan	10 min
Central retinal artery occlusion causing neovascular glaucoma due to carotid occlusive disease	Dr. Shahnaz Begum	10 min
Glaucoma after Keratoplasty: Incidence, Risk factors & Management	Dr. Syed A. Hassan	10 min
MIGS : Practice Excellence and Surgical Pearls	Dr. Rashed Nizam	15 min
Anterior segment biometric changes after cataract surgery in PACS patients, measured with Ant. Segment OCT	Dr. Ruhi Mannan	10 min
Raised IOP in children- Are we missing ?	Dr. Qazi Sabbir Anwer	10 min
Ahmed Glaucoma valve implantation in Refractory Glaucoma following Penetrating Keratoplasty, a case report	Dr. Md. Syed Jahangir Kabir	10 min
Discussion		15 min

7.30 pm - 9.30 pm

: ● **BANQUET**

● **CULTURAL EVENTS**

● **RAFFLE DRAW**

Day 2 : Saturday, 13 January, 2018

8.30 am-10.30 am : Scientific Session-VI

Symposium: Secondary Glaucoma – Diagnosis and Management

Chairman : 1. Prof. M. Nazrul Islam , 2. Prof. Jalal Ahmed

Moderator : Dr. Nazneen Khan

Subject	Speaker	Time
Steroid Induced Glaucoma	Dr. Salma Parvin	15 min
Uveitic Glaucoma	Prof. M. Mizanur Rahman	15 min
Neovascular Glaucoma	Dr. Rashed Nizam	15 min
Lens Induced Glaucoma	Dr. Zakia Sultana Shahid	15 min
Traumatic Glaucoma	Dr. M A Karim	15 min
Pseudoexfoliation Glaucoma	Dr. Angshuman Das	15 min
Post VR Surgery Secondary Glaucoma	Dr. Iftekhar Md. Munir	15 min
Discussion		15 min

10.30 am-11.00 am : Morning Tea break

11.00 am - 1.00 pm : Scientific Session-VII

Glaucoma Drama 20 minutes per Episode

Judges

- Prof. Md. Salehuddin
- Prof. Ava Hossain

Late Prof. M. Mustafizur Rahman
Founder President of BGS
15.1.1935---1.7.2014 (79 yrs.)

Late Prof. M. A. Matin
Adviser of BGS
13.11.1937---13.06.2012(75yrs)

**May you feel Allah's love and comfort.
May our memories never fade away
Of our beloved teachers whom we lost,
Who is in heaven we'll see someday.
We pray for their departed soul every day.**

Curriculum Vitae

Late Prof. M.A. Matin

Prof. M.A. Matin was born in 13th November 1937 in Kurigram district of Bangladesh. He stood 5th in SSC in 1953 & passed MBBS from DMCH in 1960. He obtained DO from London in 1964 & FRCS from Royal College of Edinburah in 1967. He Awarded Fellowship from BCPS & CPSP. He received his post-graduation degrees from UK, he came back home and then joined in IPGM&R as Associate Prof. and developed eye dept. under his leadership. Then he started his leadership activities in Academic, Political and Social field in Bangladesh.

He also worked as a teacher and Ophthalmic Consultant in the Islamia Eye Hospital, The Combined Military Hospital, The Holy Family Hospital, The Dhaka Shishu (Children's) Hospital & BIRDEM.

He was

- President of Bangladesh College of Physicians and Surgeons for 2 consecutive terms (1981-1985),
- Vice-Chairman of Bangladesh Medical Research Council.
- Chairman of the International Centre for Diarrhoeal Diseases & Research.
- Vice-Chairmen of the Asia-Pacific Academy of Ophthalmology.

He established BNCB in 1978, which was the highest policy making body of the Govt. of Bangladesh for the prevention of blindness. Prof. Matin attended many conference in home & abroad. He also attended Alma ata conference as leader in 1978.

He had been elected four times as Member of Bangladesh Parliament (1979, 1986, 1988 and 2001). He was also the Education Minister, Home Minister, Commerce Minister, Works Minister and Communication Minister.

At last he was the Vice-Chancellor of the University South Asia, Banani, Dhaka and Chairman of North Bengal Medical college. He established the NIOH in Dhaka in the year 1979, also OSB laser Vision Centre & BNSB eye hospital at Shirajganj. Established ophthalmic technician course in his private university.

Professor Matin had a number of publications in reputed national & international journals. He was the author of some ophthalmic books. To encourage the junior ophthalmologists he declared Matin Gold Medal Award in the year 1991. He was the Life time Chairman of Bangladesh Academy of Ophthalmology.

In 1993, Prof. M. A. Matin was awarded Jose Risal Medal, the highest award of APAO. He also received many awards in home & abroad.

Curriculum Vitae

Late Prof. M. Mustafizur Rahman

Prof. (Dr.) M. Mustafizur Rahman was born in 15 January 1935 in Village- Dhalia, Bhaluka, Mymensingh & died in 1 July 2014 in United Hospital. He was suffering from Acute Myeloid leukaemia & Non Hodgekins Lymphoma. During his 79 yrs. of age, he had a successful life.

He was graduated from Dhaka Medical College in 1958, he went for higher studies in ophthalmology on State Scholarship in 1962.

He passed DO, MCPS, FCPS from Dhaka & DCO, from Chittagong, FRC & DO-England, FRCS-Edinburgh & FRCS-Ireland. He also obtained FCGP from College of General Practitioners of Bangladesh 1988.

He was Director cum Chief Consultant, Glaucoma Research and Eye Hospital, Mirpur, Dhaka, Honorary Ophthalmic Consultant, Bangladesh Armed Force with the Rank of full Colonel, Additional Director cum Chief Consultant, Islamia Eye Hospital, Prof. of Ophthalmology, Dhaka Medical College & Hospital, Civil Surgeon, Barisal District and Registrar in Moorfield's Eye Hospital, England.

Prof. Rahman was the renowned Ophthalmologist of the country and Pioneer in glaucoma research in Bangladesh. He had over half a century experience and expertise in Ophthalmology and obtained legendary reputation in his field for his clinical expertise & surgeries.

He was the founder President of Bangladesh Glaucoma Society, Bangladesh Eye Care Society and was President of OSB.

He dedicated his life for the service of poor patients and started couple of charity hospitals at Mirpur, Dhaka Glaucoma Research and Eye Hospital and at Bhaluka, Mymensingh to serve the underprivileged patients who otherwise would not access the best Ophthalmological care.

He Received Many National and International Awards.

He had more than 25 publications in National & International level.

He was blessed with three sons, one daughter & 5 Grand children. Eldest Son Dr. Mahibur Rahman and Daughter Dr. Shabneen Rahman (lisa) are also Ophthalmologists.

He was married to Dr. Zebunnessa Begum, a Retired Assistant Professor in Dhaka Medical College.
